Dear Parents/Carers

Welcome back to Term 2, it promises to be a busy period of the year.

The school has been successful in its application for funds from the National School Pride federal grant fund. This means the school has been granted \$75 000 to complete projects in and around the school. The funds will be used to complete covered concrete walkways around the school as well as upgrading the technology resources to all classrooms. The funds will also be used to construct a multi purpose sporting court in the school.

In addition to the above grants the school has also applied for a new resource centre to be constructed. If successful the resource centre will provide a contemporary space for learning and resource management. We look forward to hearing of the successful application in the near future.

Congratulations to David, Henry and Tessa on

being selected to attend the robotics Extended Learning Programme, to be held at Stanwell State School during this term. The students will be designing, constructing testing and refining robots for the CQU robotics comp to be held to the 12 June.

Interschool sport starts next Friday 1 May and it is important that all medical and permission forms are returned to school prior to this date so medical databases can be compiled for each sport. Please ensure that your child has the required equipment for each sport.

Finally this Friday the school will be holding an ANZAC Day ceremony at 9:00 am. Students will also be completing activities and lessons this week learning about the history and importance of the ANZACs. All parents and community members are welcome to attend the ceremony.

Until next week.

Brad Carlson
