## Woolies and Coles Collections

Thank you to everyone who has provided the school with their Coles vouchers and Woolworths stickers. While we do not have a final number as yet, the combined total far exceeds the amount collected last year. We will use these to purchase much needed equipment for the school in the coming weeks.

## School Fair

The Ridgelands Country Fair is on this Saturday starting at 2:30 pm. Invite all your friends and family as the day is shaping to be bigger and better than ever, with the addition of a Mechanical Bull and a massive Multi-Draw raffle. Looking forward to seeing you all there.

## Cultural Shows

In the past two weeks students have been treated to three differing performances of

opera, drumming and arts council presentations. At each of these the students have broadened their cultural understanding and have done so with the highest levels of respect and behaviour. We hope that this will help spur on our students in their production of the Billabong Prank.

## Camp

Included with today's newsletter is the itinerary for the 5/6/7 camp. Payments can still be made via Bpay or by cash or cheque to the school. Medical forms and packing lists will be sent out within the next few weeks.

Until next time.

## Around the Classes

### News—Prep / Year 1

For the Science lesson, we set up three stations to investigate different landscapes and changing landscapes. The year two students worked on "How can landscapes be different?" Prep and year one students worked on "What makes a soil/water landscape?" and "How can landscapes change?"

Please bring in plants for the plants stall at the fair.

### News—Year 2/3/4

Looking forward to seeing you all at the school fair this Saturday. Our class would like to thank those who have already donated to the school fair and we are looking forward to receiving donations on the day. It would be great to receive freshly baked cakes, slices, biscuits, and tarts on the day. We would also love to receive jams and confectionary to sell to the sweet teeth customers. Any craft items are also welcome. We are looking forward to our stall being as successful as last year, thanks to the parents and community. Pictured across is an example of the student's artwork that will be on display.

### News—Year 5/6/7

Students are currently working through a Poetry unit. Students have been practicing for their class recital this week. The poems have been taken from Kenn Nesbitt's work and the humour is aimed at engaging students with rhyme.
